Introducing our newest glass tile

The company known for providing “The World’s Most Trusted Pool Finishes”, now brings you extraordinary glass tile.

PebbleTec®
GLASS TILE

Our 3 new tiles are inspired by natural seascapes — and designed to coordinate with our PebbleTec pool finishes.

Artisan Beauty

- Hand crafted for a one of a kind appeal
- Reflects light with a shimmer of iridescence
- Soothing, natural colors that blend seamlessly for a contemporary look

Durability

- Resistant to scratches, stains and moisture — meeting or exceeding all ANSI glass tile standards for durability*
- 1-Year Product Warranty by PebbleTec, assuming adherence to proper installation and pool chemistry guidelines

Eco-Friendly

- Made from 100% virgin tempered glass, offering superior strength and long-lasting durability for a more sustainable finish

*Source: American National Standards Institute: ANSI 137.2; All testing conducted by Smith-Emory Laboratories, across recommended glass tile category attributes.

Choose the ideal match for your pool

Now, you can choose a premium glass tile for your waterline or spa that blends beautifully with your PebbleTec finish.

White Sand ▶
