

The World's Most Trusted Pool Finishes®

Pebble 
Technology®
INTERNATIONAL

A reputation for beauty, durability and support

Since 1987, Pebble Technology International has been a driving force in the transformation of the pool building and remodeling industry. PebbleTec maintains its leading position with an unwavering dedication to product beauty and durability, as well as outstanding customer support.* We work only with select builders and PebbleTec Authorized Applicators, and we never compromise on quality. With over 30 years of this kind of history, it is no surprise that the brand is recognized by so many.

Offered today in 6 distinctive textures, our aggregate pool finishes allow you to achieve a wide range of water colors. For the perfect finishing touch, consider adding a stunning waterline, featuring Lightstreams® handcrafted glass tile – or choose an artisan, PebbleTec Fire & Water element. With PebbleTec products, you can create the outdoor space of your dreams.

Find your perfect pool finish in 3 easy steps:

Pools are often the central jewel of an outdoor space, each one uniquely beautiful. But when it comes to choosing a finish texture, water color and extra features for a pool, we know that everyone has their own ideals in mind. That's why we offer a wide variety of choices.

1. Choose your ideal finish texture.

All of our pool finishes are comfortable to the touch and easy on feet and hands. However, if you prefer a natural look with refined texture, try our most popular finish, PebbleSheen®. For maximum comfort, consider our smooth PebbleFina® or PebbleBreeze® finishes.

2. Select your favorite water color.

Once you've chosen a finish texture, find the perfect water color for your pool. Options range from icy blues to deep blues, greens, teals, grays, and more.

3. Add dramatic features to create the backyard of your dreams.

Complement your pool finish with luxurious Lightstreams handcrafted glass tile for your waterline. Complete the look with our artisan Fire & Water features.

NATURAL LOOK AND FEEL

PebbleTec®
The Original

Our ORIGINAL aggregate pool finish delivers enduring elegance and durability. It is a perfect choice for those desiring a more natural look for their pool or spa.

- This earthy textured finish is comprised of the largest pebbles in our product line.
- Further enhance your finish by adding Shimmering Sea and Luminous.

PebbleSheen®
Refined Textured Finish

REFINED TEXTURE/NATURAL LOOK

Our most popular pool finish offers the same natural beauty and inherent qualities as our original PebbleTec pool finish, but with a more refined texture.

- PebbleSheen uses slightly smaller pebbles than those found in the PebbleTec finish – for a smoother touch.
- Certain colors incorporate Shimmering Sea for added elegance.
- Further enhance any finish by adding Shimmering Sea and Luminous.

REFINED TEXTURE WITH MORE SPARKLE

PebbleEssence™
Radiant Textured Finish

In PebbleEssence, we offer the pebble size that's in our popular PebbleSheen® finish, enhanced with smooth glass beads for extra water color radiance.

- All PebbleEssence finishes include Shimmering Sea 🐚 for exquisite sparkle.
- Pebble Technology's proprietary additive provides extra durability and strength.

REFINED TEXTURE WITH SMOOTH BEADS

PebbleBrilliance®
Elegant Infused Finish

This premium finish features smooth glass beads and pebble aggregate, delivering a uniquely brilliant water color and extra sparkle.

- This distinctive blend offers long-lasting durability with a lavish texture.
- Proprietary additives deliver a uniform composition and vivid color.
- All colors incorporate Shimmering Sea 🐚 for added elegance.

PebbleFina[®]
Enduring Smooth Finish

This exclusive finish, made from our smallest natural pebbles, is enriched with additives that provide superior strength and durability over a traditional pool finish.

- This finish offers a velvety smooth texture.
- PebbleFina gives a tone-on-tone effect with a subtle pebble exposure.
- Our unique technology ensures increased density for resistance to etching caused by fluctuations in water chemistry.
- Certain colors incorporate Shimmering Sea  and Stardust  for added elegance and sparkle.

 **Stardust**[™]

Reflective Pool Finish Additive

A unique blend of nature's most brilliant minerals delivers sparkle and a reflective mirrored effect on the water's surface. This enhancement is specially formulated for PebbleFina finishes.

ULTRA-SMOOTH, POLISHED TEXTURE

PebbleBreeze[™]
Luxurious Polished Finish

Our smoothest finish combines exceptional beauty with durability. Vibrant glass beads create captivating colors while the infusion of Shimmering Sea  provides a mesmerizing sparkle.

- Pebble Technology's proprietary additive and a chemically resistant base material make PebbleBreeze more durable than other polished finishes on the market.
- This silky smooth, non-slip finish feels both soothing and secure.

Pool Finish Enhancements

Finish Shown Above: PebbleBrilliance, Tropicana + Shimmering Sea

Luminous™ Iridescent Glass Blend

This colorful and iridescent glass bead blend, when combined with a natural pool finish, gives a glistening effect in the water. Available in Blue, Emerald and Jade; shown here within a PebbleSheen (White Diamonds) finish.

ShimmeringSea™ Sparkling Sea Shell Blend

This organic mix of abalone and mother-of-pearl shell offers a subtle spectrum of color on the water's surface. Shimmering Sea is included in all PebbleBrilliance and PebbleEssence pool finishes. It can also be added to our other finishes, as desired.

Lightstreams® Handcrafted Glass Tile

Specifically designed for pools, Lightstreams hand-crafted glass tile is fast becoming the first choice of top designers and builders all over the world. It is the perfect complement for your premium PebbleTec pool finish.

▪ Distinctive Artisan Look

Each jewel-toned tile is created to be one-of-a-kind, delivering clarity and visual complexity. (Reversible tiles provide unique color options with shimmering iridescence on one side and smooth, saturated solid colors on the other.)

▪ Unmatched Durability

Lightstreams tile is made to last, with permanent internal coloring and texturing. Each tile is crafted to resist breaking and twice-fired for maximum durability.

▪ American Made

Lightstreams tile is made exclusively in the USA with the highest standards of American craftsmanship. This includes providing silky smooth tile edges to ensure safe and comfortable contact with bare skin.

▪ Fast and Reliable Delivery

Orders for 2" x 2" tile (up to 150 square feet) in the colors shown here will be shipped within 14 business days. (For other colors/sizes not shown and for Jewel Inlays, lead times will be provided when the order is received.)

Place orders at orders.pebbletec.com or through your pool builder.
