# Celebrating Excellence in Pool Design & Craftsmanship

*Dear Trusted Partners and Friends,*

*For more than a decade, we have been proud to host "The World's Greatest Pools" award program, celebrating excellence in pool design and craftsmanship.*

*Once again, our Pebble Technology International® builders, sales professionals and applicator partners have risen to the challenge, submitting a wide array of beautiful pool photos. All qualifying photos were judged by an independent panel of pool designers and editors from outdoor living and pool publications, on the basis of:*

- *Outstanding pool design and craftsmanship*
- *Superior photo quality and composition*
- *Exceptional interest to readers, including to prospective pool buyers*

*On behalf of the entire Oldcastle APG family of brands, we are honored to present the top scoring photos in this year's book. Each winning photo showcases a premium PebbleTec finish. However, many photos also feature our Lightstreams glass tile, PebbleTec Fire & Water features and Belgard pavers. Together, Oldcastle APG brand products make it easy for homeowners to create the outdoor living space of their dreams.*

*Thank you to all who have submitted projects for review. Please know that we appreciate the time you've invested in applying, as well as your continued support and use of our products.*

*We hope you enjoy paging through this year's compilation of "The World's Greatest Pools" as much as we have enjoyed creating it for you.*

*Best Regards,*

*Your Partners at Pebble Technology International and Oldcastle APG Northeast, Inc.*

## POOL FINISHES

**PebbleTec®**  
The Original

Our original pool finish provides a beautifully natural feel, featuring aggregate that incorporates the largest stones in our line.

**PebbleEssence®**  
Radiant Textured Finish

This opulent new finish enhances our PebbleSheen® finish with smooth glass beads and Shimmering Sea™ for extra water color radiance.

**PebbleSheen®**

**PebbleFina®**  
Enduring Smooth Finish
